

As you grow in Christ
What is in your heart
and conscience to do?

What do Godly
people advise?

It is a real
need and
opportunity.

The door is open
or opens with
persistence.

There is an internal
sense of God's leading.

What does Scripture
forbid or enjoin?

It is intrinsically
good, true and
meaningful.

Fits your personal
gifts, limitations,
assets and
resources.
