

APPENDIX 11

The Gospel in Pictures

GOD

He always was, is and will be the God of the universe. Creator of all things.

US

God created humans out of love, with a purpose, and in his own image.

AUTONOMOUS & RESPONSIBLE

God made us able to make our own choices, and we used that capacity to go our own way.

SIN

This rebellion and rejection of God and his purpose is called “sin.” It has its own consequences, effects and penalties.

DEBT OWED

Under sin we are dominated, enslaved, deluded and condemned.

THE SOLUTION

God initiated a plan of redemption by coming himself in the person of his Son, the man Jesus Christ.

THE SACRIFICE

In the cross, Jesus absorbed the wrath of God against us in order to set us right with God.

THE RESURRECTION

Christ's resurrection proves his identity as God and his success in defeating sin and death.

**CONVERSION**

The only condition of Christ's redemption is repentant faith. We have to admit that we are wrong and put our trust in Christ to set us right with God.

**A NEW HEART**

In Christ we experience the miracle of regeneration. He supernaturally remakes spiritual life in you.

**JUSTIFIED**

In Christ we are morally accepted according to Christ's goodness, since Christ was condemned morally according to our sinfulness.

**FREEDOM & SANCTIFICATION**

In Christ you are free from sin's domination and enslavement. You no longer have to sin. You can live a life of goodness and beauty.

**HOLY SPIRIT**

In Christ, the person of the Holy Spirit lives in and with you. You are not alone.

**PART OF THE KINGDOM**

In Christ, by belonging to God, you belong to something bigger -- his creation, re-creation and redemption of all things. You have a new purpose.

**ETERNITY**

God's generosity knows no bounds (Ephesians 2:7). He promises us an eternity with him.
